### **Grandparents Day Celebration**

Dear IHGS Families,

One of our favorite traditions is Grandparents Day and we can't let it pass by without celebrating those dear to us. While we aren't able to gather together for breakfast like in previous years we can still show Grandparents how special they are with a "Sweet" Treat.

Please join us for Drive By Donuts with your Grandparents on **Wednesday, October 7th from 9:30-11:30am**. There will be a photo station set up to capture a special picture together too. We will also have questionnaires to take and fill out together as a fun keepsake. If Grandparents can't be there due to social or physical distance we welcome you to stop by and make a donut craft to send them.

Please **RSVP by October 5th** by filling out the attached google form.
