

Lesson 5 Extra Practice***Interpret Line Graphs***

1. Make a line graph of the data. Then describe the change in the test scores from Test 1 to Test 6.

Test Scores	
Test	Score
1	62
2	75
3	81
4	83
5	78
6	92

2. Make a line graph of the data. Then describe the change in the absences from Monday to Friday.

Homeroom Absences	
Day	Absences
Monday	3
Tuesday	6
Wednesday	2
Thursday	1
Friday	8
