

Lesson 6 Extra Practice***Write and Graph Inequalities*****Write an inequality for each sentence.**

1. The roller coaster ride is less than 3 minutes.
2. A passing grade on the quiz was more than 8 points.
3. The soccer team wants to score more than 5 goals in this game.
4. Less than 16 students completed the fitness course on their first attempt.

Graph each inequality on a number line.

5. $r < 5$

6. $k \geq 2$

7. $m > 9$

8. $y < 3$

9. $a \leq 11$

10. $t > 7$
